Double Ended Ring Wrench, 21 x 22 mm

- Chrome vanadium
- for the assembly of scaffolding
- Heavy-duty design 100% more material, thus particularly durable.

(in comparison: a standard double ring spanner weighs approx. 300 gr., the scaffolding spanner is 630 gr., the thickness of the blade is 14mm compared to 7mm for a standard double ring spanner)

- due to the rounded edges it lies particularly well in the hand
- high strength and resilience
